Section 4:

Please read the following statement and sign below. Please have one parent or guardian also sign.

I understand that the student completing this application makes a commitment to the staff and will be responsible to learn academic skills and apply them to the production of the school yearbook. Evaluation of the student (for quarter and semester grades) will be made based on mastery of skills and the application of those skills towards completing yearbook assignments. I know that time outside of class must be devoted to accomplish the tasks and that the adviser must be able to request that extra time in order to meet deadlines. By signing this application, the student and parent/guardian agree to dedicate that extra time to the yearbook publication.
